About DFI

Deans for Impact (DFI) is a national nonprofit organization committed to ensuring that every child is taught by a well-prepared teacher.

DFI supports educator-preparation programs in bringing the science of learning into teaching practice; partners with policymakers to strengthen pathways into teaching so they are instructionally focused, practice based, accessible, innovative, and responsive; and equips leaders with tools to address pressing challenges in educator preparation. Guided by principles of learning science, DFI works to help aspiring and early-career teachers create rigorous and affirming classrooms where all children can thrive.

About Joining DFI's Board of Directors

DFI is building a pool of prospective Board of Directors candidates who bring relevant professional expertise, a strong commitment to our mission, and the capacity to provide thoughtful oversight and leadership.

We are especially interested in candidates with experience in the following priority areas:

- Information technology
- Legal
- K–12 systems leadership
- K–12 mathematics education
- Philanthropy

We also welcome candidates with relevant experience in:

- K–12 literacy
- Education research
- Teacher preparation or professional development
- DFI program alum
